

This spreadsheet will give you an idea of what can be cut from various lengths

The fabric is sold in 1/2 metre lengths (x 1.4 mtrs wide) aka **Roll Units**

1/2 metre:

1 thigh bolster (TB1-4) see Note 1 below
or
2 off headrest components - (2 x HR1-3)

1 metre:

1 set of bolster covers (2 x thigh plus 2 x squab)
or
1 x squab insert plus 1 cushion insert
and 1 x thigh bolster, and 1 x squab bolster covers
or
2 sets of seat inserts (squab and cushion)

1.5 metres

1 full front seat cover, comprising of:
1 cushion insert
1 squab insert
2 x thigh bolsters
2 x squab bolsters

The total allowance for the Rallye front and rear seats is **5 metres**

Thus the rear bench seat (cushion and squab) will take a further 2 metres (4 F

for small item repairs e.g. a thigh bolster, or a squab bolster the following layo

Note 1

1 thigh bolster requires a piece of fabric 69 x 57 cms (X x Y)
if piece TB4 is laid in the X axis direction then you can fit this onto 1 half metre
2 thigh bolster requires a piece 138 x 57 cms
and
1 squab bolster requires a piece 61 x 60 cms (X x Y)
2 squab bolsters require a piece 122 x 60 cms
